HAMPSHIRE AIDS SOUTHAMPTON'S
YOUNG MUSICIANS

Southampton's young musicians and singers are to receive £1,000 from Hampshire County Council to help with the cost of their European tour this year.

The Southampton Youth Orchestra and Choir will be performing in Germany and Austria this summer.

The Friends of the Orchestra and Choir are planning to raise £4,000 of the total cost of £15,000, and are hopeful that industrial and commercial companies in the city will also give their financial support.
