Dear Keith,

Many thanks for letting me have the copies of your letter and itinerary for parents about the visit to Austria.

This looks excellent, and I must compliment you on such a splendidly thought-out and set-out tour. It looks most attractive and I can only regret not being able to come with you myself.

I have not yet secured an "official representative" but hope to do so in the near future. In the meantime if you would kindly let me have your complete list as soon as you are able I should hope to be able to submit everything for Mr. Aldam's approval shortly after my return from Vienna next week.

Best wishes.

Yours,

Dennis
