Dear Mister Smith,

Thank you very much for your letter of 26.4.1982. We thank you in addition for the appreciation of our assistance, and we will certainly try to also do our best in the future.

Following this line we can inform you today that we happened to be successful in arranging a concert participation of the group in a Sunday evening mass at the new modern church of Southern Salzburg HERRNAU. The priest there is very open minded and would suggest even to play at certain times during the mass in order to additionally attract people to stay also afterwards for a special performance.

- 1.) 80 persons can perform in the church.
- 2.) What we would need is a list of pieces out of your repertoire suitable to be played during a mass service, so that we can preorganize the sequence of mass and music with the priest, Father Tomashek.
- 3.) The church is willing to donate AS 1.000,-- for coverage of your costs.
- 4.) Posters: As talked about posters also for advertising at the church door and similar places we would need posters for this Sunday, 25.7.1982, 19.00 h performance.
- 5.) As you informed us that you are planning to bring a special van for the instruments we would suggest not to order another bus transfer for the group as there is only a walking distance from youth guest house to church of approx. 20 minutes. It would be advisable to have rain coats or umbrellas at hand in case of rain. Should you want a transfer by bus both legs it would amount AS 45,-- per person which means AS 4.320,-- for the whole group (incl. 8% VAT) which we would like to save keeping the financial part for you in mind.

PRECALCULATION

Please find attached to our letter. We included 6 packed lunches (prepared by the youth guest house every morning before departure), plus 1 additional dinner in Hallein (before performance on Tuesday 27.7.1982). On this very day you will have lunch at youth guest house instead of dinner. Calculation is based now on 96 participants including 10 persons staff (who are not charged for AS 35,-- enrolment fee).

RAILROAD FARES

We checked the fares again after the call of your German speaking assistant and we have been informed that the rates for the German part have been raised already, and therefore will also raise for tickets bought here, which results in practically the same fare that you can get in England. Therefore it is more practical to buy tickets in England. Please bear in mind to reserve space for couchettes and seat reservations at an early date (high season !)

PAYMENT

WE AKNOWLEDGE WITH THANKS RECEIPT OF £ 1.000,-- equivalent AS 30.034,--.

May we kindly ask you for another downpayment approx. in May to cover our commitments towards the different operators involved.

Thanking you in advance for your further informations and looking forward to yours and the groups arrival.

With best greetings, also from Dr. Reibhorn, we remain for today

-Erika Balling-

sincerely yours
