Dear Keith,

I would not like the Southampton Youth Orchestra's visit to Holland to pass without reiterating my thanks and congratulations to you on its success. The Orchestra played wonderfully well and clearly created a deep impression on their audiences. The places we visited were full of interest and the youngsters themselves must have brought home many memories of a very enjoyable experience.

The support team did magnificently and I am writing to Caroline Blott as Chairperson to thank them for all they did.

It would be good in the near future, I think, to have a little get-together just to talk over one or two points we can bear in mind for future trips, but in the meantime we can rejoice in the pleasure and success of this one. Well done!

Yours,

R Dennis
