Dear

Re: Chichester Festival Theatre.
9th. November 1986

Now that the above concert is less than a month away I would be most grateful if you would get in touch with Mr. Keith Smith the conductor of the Southampton Youth Orchestra and arrange for your rehearsal visit. I have today sent Keith a full set of orchestral parts for the Grondahl Trombone Concerto (as played on the BBC Young Musician programme)), so you may rest assured that everything is coming along nicely.

Please find enclosed our running order and schedule for the actual day, which I trust you will find acceptable. Finally I would be grateful if you could send to me as soon as possible a current biography of yourself which we can use in the pre-publicity and programme for the event.

Kindest personal regards,

Yours sincerely,

Ken Griffin.
