I VOW TO THEE, MY COUNTRY

1. I vow to thee, my country, all earthly things above,
Entire and whole and perfect, the service of my love,
The love that asks no question, the love that stands
the test,
That lays upon the altar the dearest and the best;
The love that never falters, the love that pays the
price,
The love that makes undaunted the final sacrifice.

2. And there's another country, I've heard of long ago,
Most dear to them that love her, most great to them
that know;
We may not count her armies; we may not see her king;
Her fortress is a faithful heart, her pride is
suffering;
And soul by soul and silently her shining bounds
increase,
And her ways are ways of gentleness and all her paths
are peace.
