My Dear Keith,

Just a few words to express my thanks and congratulations for having brought such a wonderful festival of music to Gibraltar.

Everyone who attended the concerts were delighted with the enthusiasm of musicians and conductors and those who missed out probably will regret it for a very long time.

I am certain that the young musicians enjoyed their stay in Gibraltar notwithstanding the piles of rubbish everywhere and have learned through the experience of playing with musicians of other nationalities.

Maybe, some time in the not too distant future, we may be able to have another Festival, but this time with a bit more organization and hopefully funds from our end.

With my very best wishes

Manolo
