SOUTHAMPTON YOUTH ORCHESTRA

Southampton Youth Orchestra was founded in 1965 and now has over 100 members. Membership is open to young instrumentalists who attend Hampshire Schools, and many players join S.Y.O. after having previously played in the associated Training Orchestras.

The orchestra has played throughout Britain and recently participated in the "Schools Proms" at the Royal Albert Hall. They have appeared on both B.B.C. and Independent television and radio programmes, and have travelled widely throughout Europe and America. This coming summer Southampton Youth Orchestra will represent Britain at an International Festival to be held in the Charente Region Of France.

The CHAMBER ORCHESTRA is made up of members from the full ensemble, coming together for special occasions.
