Petersfield Musical Festival 1999

April 3rd 2000

Dear Keith,

Petersfield Festival

Thank you for bringing the Southampton Youth Orchestra once again to take part in this year's Petersfield Festival. It has been a great privilege for me to conduct them for five years and I thank you for preparing them, and the orchestra for its patience and tolerance in coping with everything that I have asked of them. They are a talented bunch and they have responded admirably and provided some excellent playing to accompany the singing.

Please pass on my sincere thanks to the orchestra, and I wish you all well for the future.

All good wishes,

Keith Smith Esq.,
