Friends of Southampton Youth Orchestra

The “Friends” organization is a registered charity, which supports the musical activities of six orchestras comprising some 400 young musicians from Southampton and the local area.

Our aims are to:-

- raise money for new music, equipment, transport, residential courses and tours.
- promote orchestra activities, and produce a Newsletter.
- assist at weekly rehearsals and concerts, providing stewards, refreshments and general support
- assist in publicizing all concerts as well as seeking sponsorship for these important events

The family of each young musician is encouraged to join the “Friends” and we appreciate support from former players and their families. The “Friends” help to create a stimulating environment for talented young musicians to receive coaching and develop their skills to the full.
