Naomi House
children's hospice

Naomi House Children's Hospice provides palliative care, including respite, terminal and bereavement care and support to children and their families from central Southern England in a homely environment.

area when they visit Naomi House.

Southampton Youth Orchestra Concert Saturday 6th September

The Rotary Club of Southampton Magna recently organised a fantastic musical concert at Winchester Cathedral. Formed over 40 years ago, the Southampton Youth Orchestra is one of the foremost youth orchestras in the country and for many of the youngsters this was their last performance before going off to university.

Many thanks to the Rotary Club of Southampton Magna, together with the wonderful generosity of the SYO for raising an incredible £5,000 for Naomi House.
